

**Dental professionals: volunteer at Care Harbor / LA and receive**

**4 FREE CE UNITS**

**Four free CE units** satisfying the California Board requirements for **infection control** will be available to all eligible dental volunteers at the Care Harbor free clinic event at the L.A.Sports Arena. You can volunteer on any clinic day, October 15th through the 18th.

Volunteers may choose full day or half day shifts to qualify. Once you complete your shift, you will receive printed instructions for accessing two online courses on infection control. Both courses must be taken to satisfy the California Board infection control requirement. You will be able to complete the online courses, take the test and print your certificate any time until October 31, 2015.

To register for Care Harbor, go to [www.careharbor.org](http://www.careharbor.org), click on "Volunteer" and follow the prompts. Volunteer information is on the registration site.

CE offer eligibility extends to all DDS, RDH, RDA, RDHAP, RDHEF and RDAEF dental volunteers.
